But the Mun' Board of Nelamangala consider that the provisions in the Police Regn are quite enough to regulate the Jutka traffic in the Town and that it is not necessary to extend the provisions of the P. The Police Regulations does not contain many provisions such as relate to the determination of fares, the obligation of the keeper of the conveyance to let the conveyance to any person requiring the same, the use of ford animals, strong harness and sound carriage and other matters which are very necessary for safeguarding the interests of the Public. There is also a considerable amount of traffic between the Railway Station of Yelahanka and the Nelamangala Town.
